1. Comment on any three of the following:

a. "Both the community of property and the community of families...tend to make them truly guardians." (PLATO)

b. "Since then some men are slaves is advantageous to any one, then it is just to make him a slave." (ARISTOTLE)

c. "...and in the actions of men and especially of princes, from which there is no appeal the end justifies the means." (MACHIAVELLI)

d. "Whoever refuses to obey the General Will... will be forced to be free." (ROUSSEAU)

e. "We must therefore worship the State as the manifestation of the Divine on earth." (HEGEL)

f. "The only freedom that deserves the name is that of pursuing our own good, in our own way." (J. S. MILL)

g. "Will, not force, is the basis of the State." (T. H. GRUBIN)

h. "The history of all hitherto existing societies is the history of class-struggles." (MARX)

SECTION A

2. (a) "Behaviouralism is a subtle defence of the status quo?"

(b) "Behaviouralism has revolutionised Political Science." Comment

3. The world would be a much better place if the concept of national sovereignty is given up. Do you agree? Give reasons for your answer.

4. Attempt a critique of the right to resist the State and bring out the place of revolution in a democratic State. Or
"Liberty and Equality are the two contradictory concepts equally dear to the human mind.

Comment.

5. "There is no theory of Democracy; it is at best a workable compromise between competing and conflicting interests." Elucidate.

6. What is Fabian Socialism? How does it differ from Scientific Socialism?

SECTION B

8. "Political socialization is the process of induction into Political Culture." Elucidate and bring out the role played by the modern State in the process.

Or

Explain the influence of British constitutionalism on the Indian Constitution.

10. "The Indian federation is a heavily-centered one; but the States are not mere provinces." Comment.

12. "India has parties but no party-system." Discuss. Or

"Secularization of Indian politics is a myth; caste is the determinant of Indian politics."

Comment.
1. "Over the decades, the primary objective of India's foreign policy has been the creation of a stable inner balance on the subcontinent in which India, as the Principal Power, would play an integrative role." Examine the statement.

Or

"After the Chinese aggression (1962) some of the most significant changes in Indian foreign policy took place. However, they were changes within the overall framework of continuity." Elucidate.

Paper II SECTION A

2. Discuss the chief characteristics of the systems approach with special reference to Kaplan and explain its impact on the development of International Relations.

3. "National interest is the key concept in foreign policy. In essence, it amounts to the sum total of all national value" (Frankel) Explain.

4. The balance of power and policies aiming at its preservation are not only inevitable but are an essential stabilizing factor in a society of sovereign nations. (Morgenthau). Comment

5. "International law undoubtedly functions as a regulatory and limiting mechanism in international politics but only in an intermittent and partially effective fashion- it large measure this incomplete effect is due to certain key characteristics of international law as a legal system." Examine this statement.
6. "The non-aligned movement has made fundamental contributions to the theory and practice of international relations, and considerably modified the character of both." Discuss.

7. Write an essay on the compulsions of a new international Economic Order.

Paper II SECTION B

8. "The Cold War arose because the leaders of American public opinion could not accept the chief consequences of World War II." (D. F. Fleming). Do you agree with this view? Give reasons for your answer.

9. Write a brief essay on the achievements of the United Nations in the social and economic fields.

10. "The theory of 'power vacuum' is at the root of much of the foreign activity in the Indian Ocean and its littoral." Explain this statement.

11. Examine the main issues in the West Asian crisis. What efforts have been recently made by America to resolve them and with what success?

12. "The modest progress thus far made toward arms control arises only partly because the possession of arms threatens international stability. In fact, the two principal competitors take the
opposite view, namely, that mutual deterrence is the guardian of international peace and security...
The goal is not peace through disarmament; it is peace through controlled, but precarious, mutual
deterrence." In the light of this statement examine the progress made since 1963 in nuclear arms
control.

13. Which are the effective types of foreign aid? Examine the role of foreign aid as instruments
of foreign policy. Give illustrations.

14. The Indian desire to emerge as the pre-eminent power in the sub-continent … And to
preserve the South Asian status quo has led Indian policy-makers to evolve a strategy of
minimising external great power involvement in the region. Examine this statement with special
reference to India's foreign policy since 1971.

Or

In the case of developing countries like India, rapid economic development being the central
objective, … Economic considerations naturally become significant determinants of… Foreign
policy. In the light of this statement discuss the economic bases of India's foreign policy.
Section A

1. Comment on any three of the following:

1. The State is the individual writ large (Plato).
2. The State is prior to the individual (Aristotle).
3. Where there is no common power, there is no law, where there is no law, no injustice (HOBBES).
4. What makes the will general is less the number of voters than the common interest uniting them (Rousseau).
5. Nature has placed mankind under the governance of two sovereign masters, pain and pleasure (Bentham).
6. Over himself, over his own body and mind, the individual is sovereign (J S Mill).
7. Nothing but external acts can be matters of obligation (T H Green).
8. While the State exists, there is no freedom; when there will be freedom, there will be no State (Lenin).

2. What is a political system? How does the Systems approach to politics add to our understanding?

3. The individual has but one right, the right of equal freedom with everybody else; and the State has but one duty, the duty of protecting that right against fraud and violence. Discuss.

4. Law is not a mystic mandate of reason or nature, but simply the fiat of that authority to...
which the members of the polity render habitual obedience. Examine the statement.

5. Carefully explain the Marxian Theory of Social Development and determine the extent to which it has been outdated and out-moded by recent developments.

6. Freedom, justice and good government need not necessarily be identified with the rule of the majority. Critically assess the statement.

Section B

1. While majorities have an inherent right to rule, the minorities have an equally solemn right to be heard. Comment and estimate the extent to which the principal forms of minority representation fulfil their purposes.

2. What is the constitutional significance of Judical Review? What measures would you suggest to secure the independence of the judiciary? Give their rationale.

3. The Indian Constitution is a hotch-potch of indiscriminate borrowings from abroad; there is nothing Indian in it. Discuss.

4. Is there a case for substituting the Presidential form into Parliamentary form of government in India?
5. Discuss the nature and causes of regionalism in India and its implications for national harmony and unity.
Section A

1. We have insisted that foreign policy-making is most fruitfully analysed as decision-making in an organizational context (Snyder et al). Examine.

2. Consciously taking refuge in an ideological Utopia, states have given the conduct of international political relations a measure of tension, danger and potential explosiveness that has no parallel in history. The secular rationalism of contemporary ideologies has moved superstition from the realm of religion to the arena of politics. Discuss.

3. The evolving international system and the communications aspect of it, is well exemplified by the twentieth century changes in diplomacy. Elucidate.

4. State the main recommendations of the Willy Brandt Commission Report. What are its shortcomings from the point of view of the developing countries?

5. It would be wrong to say that modern imperialism would have been possible without colonies. And yet the end of colonialism by no means signifies the end of imperialism. Explain and comment.

Section B

1. In what important respects has the emergence of nuclear power fundamentally altered the
nature of International relations?

2. Explain the term detente. Discuss the factors determining its progress in the context of the Soviet-American relations since 1963.

3. State the impact of the new nations of Asia and Africa on contemporary international relations.

4. A basic postulate of Pakistan’s foreign policy since the beginning has been to defend itself against the perceived threat to its security from India. Amplify this statement.

5. China's international position was totally transformed between 1969 and 1972. Discuss the causes and consequences of this transformation.
Section A

1. Comment on any three of the following in about 200 words each:

   1. Until philosophers are kings, or the kings and princes of the world have the spirit and power of philosophy, critics will never have rest from their evils, no, nor the human race (Plato).

   2. Some men are by nature free, and others slave (Aristotle).

   3. Nature has placed mankind under the governance of two sovereign masters, pain and pleasure (Bentham).

   4. Leninism is Marxism of the era of imperialist wars and proletarian revolution (Stalin).

2. How far and in what respects is behaviouralism an improvement upon the traditional approach to the study of politics? Account for the post behavioural revolution.

3. Account for the reaction against the Austinian concept of sovereignty. Should it be expunged from the vocabulary of political science? Give reasons.

4. Social justice is not reconcilable with the right to property. Comment

Section B

1. Comment on any three of the following in about 200 words each:

   1. India has political parties but no party system
2. The Slates are, under the constitution, no better or different from glorified municipalities.

3. Secularism is only a half-realized ideal in India.

4. Gokhale was a moderate but Tilak was an extremist.

2. How far and in what ways have Casteism and Regionalism adversely affected the process of political socialization and development in India?

3. The emphasis in the Indian Constitution is on the authority of the State rather on the liberty of the individual. Discuss with reference to the nature and scope of the rights guaranteed to the Indian citizens.

4. The powers and influence of the Cabinet have increased, are increasing and ought to be diminished. Discuss.
1. Discuss the role of geography as a basic determinant of India’s foreign policy. Or

Examine the important changes that have taken place in India’s strategic environment in recent years and discuss their implications for its foreign policy.

2. Write on any three of the following in about 200 words each:
   1. The individuals-as-actors approach to international politics.
   2. Open diplomacy.
   4. Iran-Iraq war.

Section A

1. [The] theoretical concern with human nature as it actually is, and with the historic processes as they actually take place, has earned for the theory… The name of realism (Hans J. Morgenthau) In the light of this statement examine Morgenthau’s realist theory of international politics.

2. International law functions… As an institutional device for communicating to the policy makers of various states a consensus on the nature of the international system. Elucidate.

3. One of the main objectives of the non-alignment movement in the economic sphere in recent years has been to work for the achievement of a New International Economic Order. Discuss.
Section B

1. Discuss the significance of the recent developments in Afghanistan from a global perspective, regional considerations and the point of view of India's foreign policy.

2. Examine the impact of the economics and politics of oil on international relations with special reference to the developing countries.

3. Examine briefly the various stages in the evolution of the policy of the United States of America towards South East Asia after 1954.
SECTION A

1. Comment on any three of the following in about 200 words each:

1. Only the man who has a taste for every sort of knowledge and throws himself into acquiring it with all insatiable curiosity will deserve to be called a philosopher (Plato).
2. The prince must be a fox, therefore to recognise the traps and a lion to frighten the wolves (Machiavelli).
3. As much as any one can make use of any advantage of life before it spoils, so much he may by his labour fix a property in; wherever is beyond this, more than
4. A people of savages should be taught obedience but not in such a manner as to convert them into a people of slaves (J S Mill).

2. What is political analysis? Explain the systems theory and Marxist approach to political analysis?

3. Critically examine the general and characteristic properties of State with particular reference to the recent debate on the notions of state and concept of power.

4. The theory of class war is the heart and soul of Communist ideology Comment.

SECTION B

1. Comment on any three of the following in about 200 words each:

1. India is not a federation but a Union.
2. The chapter on Fundamental Rights is part of the basic structure of the Constitution, more, it is the very soul of the document.
3. The pressure groups of India are only in part the spontaneous and independent results of felt needs among occupational caste groups.
4. An independent Judiciary, having the power of Judicial Review is a prominent feature of the Indian Constitution.
2. Discuss the merits and demerits of Presidential system of government and argue for and against its introduction in India.

3. Examine the extent to which the politics of regionalism in India could be viewed as the consequence of the process of political modernisation.

4. A little socialism is written into our (Indian) Constitution and some more has gone into it by way of amendments. Comment
1. Nehru’s concept of non-alignment had an implicit security rationale. The purpose of the policy was not merely one steering clear of military blocs for moral reasons, but also one of maneuvering among the great powers for security reasons. Discuss. Or

The political tradition, particularly the recent one, of any country is an important determinant of its foreign policy, and more so in the case of a country like India which has become newly independent, through a powerful nationalist movement, after a long period of colonial rule. Examine those special aspects of the Indian national awakening which had a direct bearing on the formulation of India’s foreign policy.

2. Write on any three of the following in about 200 words each:
   1. International Relations and International politics.
   2. Uniting for Peace Resolution.
   3. Old Diplomacy.

SECTION A

1. Discuss the basic assumptions underlying the theory of balance of power and examine its relevance in the nuclear age.

2. In order to make clear the distinction between international law and international relations, it must suffice to underline that international law is law, and no more than law; and that it
is a law applying between states viewed not in their entirely but simply in the formal external aspects custom has led them to wear. Elucidate.

3. The concept of the national interest presupposes neither a naturally harmonious, peaceful world nor the inevitability of war as a consequence of the pursuit by all nations of their national interest. Quite to the contrary, it assumes continuous conflict and threat of war, to be minimized through the continuous adjustment of conflicting interests by diplomatic action. Examine this statement.

SECTION B

1. The concept of peace zone is inherent in the concept of non-alignment (U. N. General Assembly Resolution, 1971). In the light of this statement discuss the peace-Zone aspect of the politics of the Indian Ocean area.

2. The character of Chinese foreign policy is determined by elements of nationalism, ideology, and traditional Chinese thought, Discuss.

3. A policy of foreign and is no different from diplomatic or military policy or propaganda. They are all weapons in the political armoury of the nation. Explain.
SECTION A

1. Comment on any three of the following in about 200 words each:

   1. Indeed it is generally true that it is a difficult business for men to live together and to be partners in any form of human activity, but it is specially difficult to do so when property is involved (Aristotle).

   2. A wise prince then seeks advice continually but when it suits him and not when it suits somebody else (Machiavelli).

   3. A strong and healthy constitution is the first thing to look for; and it is better to count on the vigour which comes of good government than on the resources a great territory furnishes (Rousseau).

   4. During the lifetime of great revolutionaries the oppressing classes have visited relentless persecution on them and received their teaching with the most savage hostility, the most furious hatred, the most ruthless campaign of lies and slanders (Lenin).

2. Give a critical account of Kautilyas political ideas and examine their relevance to the contemporary ideas of government and politics.

3. The newer currents in political science are more accurately perceived as the recovery of a great tradition than as a radical deviation from it. Comment
4. Democracy is a theory of society as well as a theory of government. Discuss.

SECTION B

1. Comment on any three of the following in about 200 words each:

   1. The linchpin of the Indian political system is the Prime Minister.

   2. The goal envisaged by the Indian Constitution is that of a Welfare State and the establishment of a Socialist State.

   3. Community and caste still threaten social harmony and political peace (in India).

   4. The States are allotted a subordinate position in the Indian Union by the Constitution.

2. Discuss in the light of electoral politics in the Indian States the factors which prevent a healthy growth of a two-party system.

3. Explain the basic assumptions of Gandhian planning and discuss whether it would help India to achieve economic prosperity.

4. Describe the organisation and progress of Panchayati Raj institutions in India and examine the extent to which they serve as instruments of rural reconstruction and rural development.
SECTION A

1. Comment in about 200 words each on any three of the following:

   1. NPT (Non-Proliferation Treaty) is not discriminatory.

   2. The attitude of any two South Asian countries to the Indian Ocean being made a zone of peace.

   3. The Lebanon crisis.

   4. The significance of South Asian Foreign Ministers meeting.

2. The concept of power is so elusive and yet so central to the study of international relations. Never before in human history has power been so imposing and yet so important as it has been since the development of nuclear weapons. In the light of these statements, evaluate the utility of the concept of power for the understanding of international relations.

3. The systems theory as developed by Morton Kaplan for the study of international relations lacks some of the essential characteristics of the systems perspective. Discuss whether and, if so, how far this statement is correct.

4. However grand its declared objectives, the United Nations by its very structure is ill-equipped to bring about an international order based on peace and justice. Examine whether and, if so, how far this statement is correct.
SECTION B

1. Comment in about 200 words each on any three of the following:
   1. The achievements and failures of the Seventh Non-Aligned Summit.
   2. The role of EEC in international relations.
   3. Certain resources being the common heritage of mankind.
   4. The International Court of Justice.

2. The foreign policy of a country is merely the extension of its domestic politics. Discuss this statement and examine whether and, if so, how far the shifts in Indian foreign policy during 1970S and 1980S can be understood in terms of changes in Indias domestic environment.

3. Discuss the part played by cultural imperialism and economic aid as instruments of external intervention.

4. Clearly indicate the meaning of the term Third World and distinguish it from the First, the Second and the Non-Aligned Worlds. In this context, discuss the goals of Third World diplomacy and the extent to which it has succeeded in achieving these goals.
SECTION A

1. Comment on any three of the following in about 200 words each:
   
   1. If a State is constituted on natural principles, the wisdom it possesses as a whole will be due to the knowledge residing in the smallest part, the one which takes the lead and governs the rest (Plato).
   
   2. Life in a community enables man… … To achieve a plentitude of life: Nor merely to exist, but to live fully, with all that is necessary to well-being (St. Thomas Aquinas).
   
   3. Though nothing can be immortal which mortals make, yet, if men had use of reason they pretend to, their commonwealth might be secured at least from perishing by internal disease (Thomas Hobbes).
   
   4. To define freedom of the press as freedom to say and write whatever we please is parallel to the assertion that freedom as such means freedom to do as we please (Hegel).

2. Discuss the problems of contemporary liberalism as they are manifested in its theory of democracy.

3. Briefly discuss the nature and scope of Political Science and examine the extent to which it can be regarded as a science or only as a technique for the successful acquisition and exercise of power.
4. Give a critical account of Marxist and Maoist conceptions of revolution and bring out the nature of their relationship to the earlier theories of revolution.

SECTION B

1. Comment on any three of the following in about 200 words each:

   1. The Indian Parliament is not a sovereign legislature. It has vast but not unlimited powers.

   2. The right to property has proved to be the most controversial of the fundamental rights.

   3. Satyagraha is the most important and original contribution of Mahatma Gandhi to mankind.

   4. The jurisdiction and powers of the Supreme Court of India are in their nature and extent wider than those exercised by the highest Court of any other country.

2. Comment on the view that the study of comparative politics and government has become parochial and descriptive rather than systematic and universal.

3. Examine the main trends of the Indian party system since 1969 and discuss the phenomenon of defections and its implications for the working of the Indian political system.
4. Discuss in general and with suitable examples the part played towards modernization of Afro-Asian societies by the leadership of those societies during the second half of the twentieth century.
Section A

1. Comment on any three of the following in about 200 words each:
   
   1. Ideology hardly plays any role in foreign policy.
   
   2. The impact of Summit diplomacy.
   
   3. The meaning and significance of neocolonialism.
   
   4. Distinction between arms control and disarmament.

2. The nature of the sovereign Nation-State system underwent fundamental changes with the advent of the nuclear weapons system. Despite the emergence of nuclear weapons and the over-kill capacity of the superpowers, the sovereign Nation-State system continues to retain its essential characteristics. In either of the above statements a correct assessment of the international system and if so, to what extent?

3. The decision-making approach to the study of international relations as developed by Snyder, Bruck and Spain (SBS) cannot be considered as a serious tool of analysis. Examine this view and discuss the important refinements which have been made in the decisionmaking approach since the SBS model was first developed.

4. Both because of its structure and its strategy, the Non-Aligned Movement is unlikely to be able to achieve a new international economic order. Critically examine this statement and indicate the extent of the success of the Non-Aligned Movement in modifying the
SECTION B

1. Comment in about 200 words each on any three of the following:

   1. Distinction between First, Second and Third Worlds.
   2. South Asian Regional Co-operation is essentially a mirage.
   3. The tension around the issue of Diego Garcia.
   4. PNE.

2. The foreign policy of a country is determined more by the external environment than by domestic factors. Discuss in depth the validity of this statement in the context of the foreign policy of the United States during the nineteen seventies and early eighties.

3. It is paradoxical that while India claims to be a peace-loving country, it has managed to develop conflict and tensions with almost all its neighbours. Evaluate this statement and critically explain this paradox.

4. Examine Chinese foreign policy after the death of Mao with due reference to the shifts, if any, that have occurred since then.

international economic system.
SECTION A

1. Comment on any three of the following in about 200 words each:

   1. There will be no end to the troubles of states, or indeed of humanity itself, till political power and philosophy come into the same hands, while the many nations now content to follow either to the exclusion of the other are forcibly debarred from doing so (Plato).

   2. I have resolved to open a new route, which has not yet been followed by anyone (Machiavelli).

   3. The great and chief end of Mens uniting into Commonwealths and putting themselves under Government is the Preservation of their Property (Locke)

   4. All the philosophers have attempted to reach back to the state of nature but none of them has ever got there (Rousseau).

2. Discuss the Marxist approach to the study of politics with particular reference to the development of Political Science as a discipline in recent years.

3. Critically analyse the current State of the theory of Liberalism with specific reference to its concepts of Liberty, Democracy and Justice.

4. Describe the nature of the modern State and discuss the problems it has to face from centrifugal forces to its authority and legitimacy.
SECTION B

1. Comment on any THREE of the following in about 200 words each:

1. In a party, it is far from obvious that the interests of the masses which have combined to form the party will coincide with the interests of the bureaucracy in which the party becomes personified (Michels).
2. Ramaraja of my dream ensures the rights alike of prince and pauper (Gandhi),
3. We have to admit that, under present circumstances, and so long as our policies are dominated by middle class elements, we cannot do away with communalism altogether (Nehru 1936).
4. In no sphere of public activity in our country since Independence the hiatus between precept and practice, between policy pronouncements and actual execution, has been so great as in the domain of land reforms (Task Force on Agrarian Relations 1973).

2. Write a critical note on the more important theories and approaches in the field of comparative politics in terms of their contribution to the understanding of the non-western political process.

3. Discuss the problem of Centre-State relations in India and its possible future development, clearly indicating how in your opinion it can be constructively handled.
4. Democracy has not enabled the majority of poor people of grasp, and organized themselves utilizing, political power to advance their own interests (Gunnar Myrdal). Examine this statement and give your own analysis and assessment of the nature and outcome of the Indian experiment in democracy.
SECTION A

1. Comment on any three of the following in about 200 words each:

   1. Colonialism as a phenomenon died after the 1960S.
   2. National interest is what the political elite of the country think it to be.
   3. The role of the ASEAN in international system.

2. Examine the major characteristics of the present day international economic order. Which of its structural aspects have led to the demand for a new international economic order?

3. Discuss in depth the causes of the development of the new cold war. In what way does it resemble or differ from the cold war of the immediate post-Second World War Period?

4. The realist theory is the only useful tool of analysis for the understanding of the phenomena of international relations. The so called realist theory does not seem to be realistic. Which of these two views seems to you to be closer to truth?

SECTION B

1. Comment on any THREE of the following in about 200 words each:

   1. The meaning and significance of star war in the US foreign policy strategy.
2. The importance of Diego Garcia in American strategy.

3. The Iran-Iraq War has not ended because no one is interested in ending it.

4. The significance of Rajiv Gandhis visit to the United States in June, 1985, for promoting long-term Indo-American friendship.

2. What, in your view, are the major objectives of Soviet foreign policy? Does the Soviet politicoeconomic system, help or hinder the achievement of these objectives?

3. What are the major changes which have taken place in Indian foreign policy since the death of Nehru? Do you see any major continuities in Indian foreign policy? Account for both the changes and continuities.

4. Examine the difference in the usage of the concept of peaceful coexistence in Chinese, Soviet-Indian foreign policy behaviour. Would you say that the Chinese usage of the term is guided more by ideological considerations?
SECTION A

1. Comment on any three of the following in about 200 words each:

   1. From the hour of their birth some are marked out for subjection, others for rule (Aristotle).

   2. I doubt not, but if it had been a thing contrary to any mans right of dominion, or to the interest of men that have dominion, that the three angles of a triangulated should be equal to two angles of a square; that doctrine should have if not disputed, yet by the burning of all books of geometry, suppressed, as far as he whom it concerned was able (Hobbes).

   3. It was iron and corn which first civilized men, and ruined humanity (Rousseau).

   4. Nature has placed mankind under the governance of two sovereign masters, pain and pleasure. It is for them alone to point out what we ought to do, as well as to determine what we shall do (Bentham).

2. Critically examine the Behavioural and the Marxist approaches to the study of Politics.

3. Write a critical note on the more important developments in the theory of Democracy in recent years.

4. Elucidate the concepts of Liberty and Equality and examine the view that the two cannot be reconciled in the modern state.
SECTION B

1. Comment on any THREE of the following in about 200 words each:

1. The Hindu nation was born with Sanatana Dharma; with it, it moves, and with it, it grows. When, Sanatana Dharma declines then the nation declines, if Sanatana Dharma were capable of perishing with the nation, it would perish. Sanatana Dharma, that is nationalism (AurvbindoGhosh).

2. Little do town dwellers know how the semi-starved masses of India are slowly sinking to lifelessness. Little do they know that their miserable comfort represents the brokerage they get for the work they do for the foreign exploiter that the government established by law in British India is carried on for this exploitation of the masses (Gandhi, 1922).

3. I am convinced that the only key to the solution of the worlds problems and of Indias problems lies in socialism, and when I use this word I do so not is a vague, humanitarian way, but in a scientific, economic sense (Nehru, 1936).

4. On 26th January 1950, we are going to enter into a life of contradiction. In politics we will have equality and in social and economic rights we will have inequality We must remove this contradiction at the earliest possible moment or else those who suffer from inequality will blow up the structure of political democracy which this Assembly has so laboriously built up (Ambedkar).

2. Critically examine the contribution of contemporary political science to the
3. Discuss the emerging problems of casteism, linguisticism, communalism and regionalism in the Indian polity, clearly indicating how, in your opinion, these problems should be understood and resolved.

4. A political alliance of the intermediate classes with the upper classes, resorting to socialist ideology only to win mass support but using all levers of power to facilitate a type of capitalist development in the interest of a narrow section of Indian society (K. K R. V. Rao 1973). Examine this assessment of the working of Indian political system.
SECTION A

1. Comment on any three of the following in about 200 words each:
   
   1. Open covenants openly arrived at:
   
   2. International law can hardly be characterised as a branch of true law.
   
   3. Balance of power is still a basic element in international relations.
   
   4. The basic fact of international life is the sovereign equality of all States
   
2. Examine in detail the nature and extent of the impact of decolonization on the international system.

3. Examine the basic difference between arms control and disarmament. Which of these is likely to succeed? In this context briefly examine the various efforts at arms control since 1960s.

4. Detente was a mere myth. The cold war never ended. The new cold war is basically the reversal of a slow process of detente built so painfully by the two super Powers under pressure of so many forces. Which of the above two statements would be a correct description of international reality?

SECTION B

1. Comment on any THREE of the following in about 200 words each:
1. American interest in South East Asia is merely to contain Soviet influence.

2. India has been making a mistake in not accepting Chinese proposals for a border settlement.

3. The West Asian conflict has defined solution despite the sincere efforts of the super powers.

4. The non aligned States and the Third World States are merely two expressions of the same phenomenon.

2. The foreign policy of a country is neither determined by domestic factors, nor by international environment; is it basically determined by the views of the top decision-makers. Would you agree with this view of the foreign policy process in the United States?

3. Examine the attitude of the nuclear weapons states to the acquisition and development of nuclear technology by Third World countries. To what extent is this attitude justified?

4. India claims to be a non-aligned country but ever since 1950S it has been tilting towards the Soviet Union and against the United States. Would this be an accurate estimate of Indias policy towards the two Super Powers?
SECTION A

1. Comment on any three of the following in about 200 words each:
   1. … No law or ordinance is mightier than knowledge (Plato).
   2. A prince… Who desires to maintain himself must learn to be not always good, but to be so or not as necessity may require (machiavelli).
   3. It is better to be Socrates dissatisfied than a food satisfied (J S. Mill).
   4. The Communist Party is part of the working class its most progressive, most class conscious and therefore, most revolutionary part (Lenin).

2. Behavioural studies are highly desirable to supplement other studies, but like all identifiable methodological approaches they are part of the whole study of Government and Politics (Charles-Worth). Comment

3. Machiavellis work to the first example of the way in which science and secularism have developed together in the western world. Discuss.

4. Critically examine the nature and contribution of Behavioural and post-behavioural revolutions. Is it correct to describe them as revolutions?

SECTION B

1. Comment on any THREE of the following in about 200 words each:
   1. Structural-Functional Approach
   2. Webers views on Bureaucracy
   3. Contribution of M N Roy
   4. Anti-defection Law.

2. Discuss the nature of one-party dominant system under Jawaharlal Nehru and Shrimati
Indira Gandhi. Do you agree with the view that it has done more harm than good to India?

3. Critically examine the relationship of Preamble, Fundamental Rights and Directive Principles of State Policy as determined by the judiciary in India.

4. Community and caste still threaten social harmony and political peace. In the light of this statement, discuss the role of caste in Indian politics today.
Section A

1. Comment on any three of the following in about 200 words each:
   1. Power as coercive and non-coercive elements potential.
   2. Prospects for isolationism in the contemporary world.
   3. Neo-colonialism.
   4. OAU as an important international actor

2. The term Cold War is now often used to denote the very process of east west conflict itself. Identify in this context, the salient characteristics of the Cold War of the immediate post-Second World War period.

3. Review the major arguments of the Third World Countries in favour of restructuring of the International Economic Order.

4. Diplomacy today operates in a world in which the rival blocs are rent by ideological rifts and have only limited common interest.

SECTION B

1. Comment on any THREE of the following in about 200 words each:
   1. The Nuclear Non-Proliferation Treaty as a grossly discriminatory treaty.
   2. The Third World's special place in a block divided world.
   3. The North-South Dialogue.
   4. Indo Soviet Relations during the Janata rule.

2. Explain the idea of the Indian Ocean as a Zone of Peace. In what ways did the Seventh Summit of the Non-Alignment Movement pursue this idea?

3. The Soviet Union has long planned for this military invasion of Afghanistan. (New
China News Agency.). Bring out the logic of this Chinese perception of Soviet intervention in Afghanistan.

4. We do not believe in the deterrent theory and (that) India would not make nuclear weapons even if Pakistan did so (Smt. Indira Gandhi). Examine Indias nuclear policy in the light of the above statement.
Section A

1. Comment on any three of the following in about 200 words each:

   1. The law is reason unaffected by desire (Aristotle).
   2. It is not the priest that forgives the sin and remits the penalty to the sinner. God alone judges in these matters and the function of the priest is merely to certify the divine act. The priest is indeed the bearer of the keys of the kingdom of heaven, but he bears them in the capacity merely of turnkey-no wielder of jurisdiction but a humble serviter (Marsiglio of Padua).
   3. Wherever, therefore, any number of men so unite into one society as to quit everyone his executive power of the law of Nature and to resign it to the public, there and there only is a political or civil society (John Locke).
   4. We must go among all classes of the population as theoreticians, as propagandists, as agitators and as organisers (Lenin).

2. Compare some of the leading political notions of Kautilya and Machiavelli and explain how they helped the development of the social and behavioural sciences.

3. Describe the nature and scope of Political Science and distinguish between the earlier and recent methodological approaches in its study.

4. What are the different varieties of democratic systems? How and to what extent accountably of governments and legislatures to the electorate may be regarded as the essence of democratic government?

SECTION B

1. Comment on any THREE of the following in about 200 words each:

   1. Swadeshi is that spirit in us which restricts us to the use and service of our immediate surroundings to the exclusion of the more remote (M. K. Gandhi)
1. Terrorism is an outworn and profitless method for gaining political objectives and that it usually represents the infancy of a revolutionary urge in a country (Pandit Jawaharlal Nehru, 1935).

2. [In India] new tensions are bound to arise as a result of the process of socio-economic development and modernisation and also of the compulsions of electoral politics.

3. Any member of a political majority is relatively free to make his own contribution to its political action whereas the course of politics among a communal majority is influenced only by those born into it (Dr. B. B. Ambedkar, 1955).

2. Indicate the issues of tensions and conflicts in the relationship between the Centre and the States in India. How best could they be reconciled?

3. Account for the emergence of regional political parties in India. Do the activities of these parties affect communal harmony and national unity?

4. How does the Supreme Court of India function as the custodian of the Constitution and Protector of the rights of the citizens?
SECTION A

1. Comment on any three of the following in about 200 words each:
   1. Technology as an element of National Power.
   2. Non-State Actors in international relations.
   3. The concept of Cultural Diplomacy.
   4. Role of the International Court of Justice.

2. What is meant by Realism in international politics? Examine critically the principal assumptions of the Realist Theory as developed by Hans J. Morgenthau.

3. Define Intervention and discuss the major avenues of intervention used by powerful States in the affairs of weaker States.

4. Distinguish between bilateral and multilateral foreign aid in terms of their consequences for the recipient nation. In what ways can foreign aid be used as an instrument of foreign policy?

SECTION B

1. Comment on any THREE of the following in about 200 words each:
   1. India's concern on developments in Afghanistan.
   2. India and the ethnic troubles in Sri Lanka.
   3. The problem of the Palestinians.
   4. Prospects of a Sino-Indian Rapprochement.

2. Explain the factors which led to the formation of the SAARC. Is it capable of playing an effective role for regional integration? Justify your answer with reference to the initiative so far taken by the SAARC.
3. We are a friend not only in fair weather but also in rough weather. Comment on this statement of a distinguished Soviet leader in the light of the special relations that have developed between India and the Soviet Union.

4. Do you notice any major changes in the foreign policy of the Peoples Republic of China in the post- Mao period? Discuss in this connection the position taken by the PRC vis-a-vis the Super-Powers and the developing nations.
Section A

1. Comment on any three of the following in about 200 words each:

   1. The truth is that the state in which the rulers are most reluctant to govern, is always the best and most quietly governed and the state in which they are most eager, the worst (Plato).
   2. I conclude again by saving that prince must esteem his nobles but not make himself hated by the populace (Machiavelli).
   3. Every man being born free and his own master. No one, under any pretext whatsoever, can make any man subject without his consent. To decide that the son of a slave is born a slave is to decide that he is not born a man (Rousseau).
   4. Women hold up half the heavens (Mao Zedong).

2. How far it would be correct to say that the Ancient Indian political thought was concerned primarily with the art of government rather than with the problems of political philosophy?

3. It would be of lasting benefit to political science if the whole concept of state sovereignty were surrendered (Laski).

4. Examine the contemporary relevance of the basic tenets of Marxism-Socialism.
SECTION B

1. Comment on any THREE of the following in about 200 words each:
   
   1. Raja Ram Mohan Ray and Social reforms
   2. Drain theory of Dadabhai Naoroji
   3. B G Tilak and Swaraj

2. What are the political philosophies enshrined in the Indian Constitution. How far are they mutually reconcilable? Give reasons for your answers?

3. Point out the defects in the electoral system in India and suggest suitable improvements in it, in the light of the Tarkunde Committee report.

4. A more rewarding approach in the problems of classification (of political institutions) would be to classify types of political systems rather than to concentrate on types of government. Examine the statement.
SECTION A

1. Comment on any three of the following in about 200 words each:

   1. International politics is of necessity power politics.
   2. Crisis in energy resources and its impact on international relations.
   3. A diplomat is sent abroad to lie for his country.
   4. National interest is what the ruling elite decides it is:

2. Cold war is just one of the many justifications which keep the NAM going. Discuss in the light of this statement the emerging political and non-political dimensions non-alignment.

3. Explain the analytical design of the Decision-making theory. Does it adequately account for the external behaviour of States? Give reasons.

4. Discuss with illustration, role of the UN Secretary-General in the maintenance of international peace, security and cooperation.

SECTION B

1. Comment on any THREE of the following in about 200 words each:

   1. The problem of Cambodia
   2. Debt problem of the Third World countries
   3. Iran-Iraq War and West Asia policy of the Super power
4. Crisis in the relations between India and Nepal

2. What principal factors are responsible for the Sino-Soviet dispute? Do you notice any prospect for better relations between the two socialist powers?

3. Analyse the major developments in India-Pakistan relations since 1981. What positive indications are there now for normalisation of relations?

4. Review the progress of the confidence-building measures taken by the present Soviet leadership viza-viz the western democracies and third world.
SECTION A

1. Comment on any three of the following in about 200 words each:

   1. A social instinct is implanted mall men by nature, yet he who first founded the state was greatest of benefactors (Aristotle)

   2. In the happiness of his subjects lies the kings happiness, in their welfare his welfare (Kautilya).

   3. If there are now natural slaves, it is because formerly there were slaves against nature (Rousseau).

   4. Our epoch, the epoch of the bourgeoisie has simplified the class antagonism (The communist Manifesto).

2. Political behaviour stands for both an intellectual tendency and a concrete academic movement (David Easton). Discuss.

3. Critically examine the view that the recent trends in the

SECTION B

1. Comment on any THREE of the following in about 200 words each:

   1. Decision-Making Approach

   2. Gandhi as an Anarchist

   3. Proportional Representation
4. Decentralised Decision-Making and Political Participation

2. Examine the extend of the role of modernisation in shaping the politics of Afro-Asian States. Does it afford a common framework for competitive political studies?

3. The record of the Indian judiciary in constitutional interpretation has been erratic. Comment

4. Legitimisation of subnationalism is pernicious to the National Harmony Theory of Indian Nationalism. Comment
SECTION A

1. Comment on any three of the following in about 200 words each:

   1. Role of NAM in international relations
   2. Ideology as a determinant of foreign policy
   3. International politics is a struggle for power among nations.
   4. The UN Secretary-General is more a diplomat than an administrator.

2. The theory of balance of power has lost its validity in the nuclear age. How far do you agree with this statement? Give reasons.

3. Discuss the main functions of diplomacy and examine the recent trends in the practice of diplomacy.

SECTION B

1. Comment on any THREE of the following in about 200 words each:

   1. India’s nuclear policy
   2. The problem of German unification
   3. Indian Ocean as a zone of peace
4. The Third World in international relation.

2. Indo-Pakistan relations have been complicated by Big Power Politics and Arms race in subcontinent. Would you agree with this view?

3. Examine the impact of nuclear weapons on international relations with special reference to the relations between the superpowers.

4. What is glasnost? Has it contributed to any major change in the foreign policy of the Soviet Union? Justify your answer with reference to the Soviet Union's relations with East European countries.
SECTION A

1. Comment on any three of the following in about 200 words each:

1. The aims pursued by revolutionaries, like the origins of revolution, are the same in tyrannies and kingships as they are under regular Constitutions (Aristotle).

2. The relation of the state and its parts to tranquility will be seen to be similar to the relation of the animal and its parts to health (Marsinglia of Padua).

3. The condition of human life, which required labour and materials to work on, necessarily introduces private possessions (John Locke).

4. The mode of production in material life determines the general character of the social, political and spiritual problems of life (Karl Marx).

2. Political Science is a master-science, architectonic in its character, from which all other practical sciences take their cue (Ernest Barker). Discuss.

3. Discuss the Normative and Behavioural Approaches to the study of political science and examine the limitations of Behavioural Approach.

4. The existence of Liberty depends upon our willingness to build the foundations of society upon the basis of rational justice and to adjust them to changing conditions in terms of reasoned discussion and not violence (Harold J. Laski). Discuss.
SECTION B

1. Comment on any THREE of the following in about 200 words each:

   1. Lenin’s theory of Democratic Centralism.
   2. Spiritual nationalism of Aurobindo Ghosh.
   3. Jawaharlal Nehru on Socialism and Secularism
   4. Agents of political socialisation.

2. Community and Caste still threaten social harmony and political peace in India. Discuss

3. The role of the Indian Judiciary in recent years has been one of dynamic judicial activism. Elucidate.

4. Planning has superseded the federation and our country is functioning almost like a unitary system in many respects. In the light of the statement, examine the recent trends in Indian Federalism.
Section A

1. Comment on any three of the following in about 200 words each:

   1. G-77
   2. International Court of Justice
   3. Pax Americana
   4. Neo-colonialism

2. How far has interdependence among states undermined sovereignty?

3. Examine the main assumptions of the Realist theory.

4. The UN has done well but not well enough. Comment

SECTION B

1. Comment on any THREE of the following in about 200 words each:

   1. Impact on Nuclear Weapons on international relations.
   2. Indus water Treaty
   3. Perestroika
   4. Racialism in South Africa

2. Discuss with reference to the USA, how domestic factors influence the foreign policy of the country.

3. Present a critique of India’s foreign policy

4. Examine the problems and prospects of South-South economic cooperation.
SECTION A

1. Comment on any three of the following in about 200 words each:

   1. Reality is a shadow if ideas (Plato).
   2. Reason teaches all mankind who will but consult it, that being all equal and independent, no one ought to harm another in his life, health, liberty and possessions (Locke).
   3. Since liberty is a fruit that does not grow in all climates. It cannot be enjoyed by all people alike (Rousseau).
   4. The anatomy of civil society is to be sought in its political economy. Marx

2. Examine the limitations of Behaviouralism as an approach to the study of politics.

3. Marx treats individual primarily as a member of a class. Critically examine his views on the economic man.

4. Do you agree with the view liberal democracy has own the historic battle of ideologies.

SECTION B

1. Comment on any THREE of the following in about 200 words each:

   1. Theory of capitalis enrichment
   2. The 42nd amendment to the Constitution of India
   3. Theory of circulation of elites
   4. Personality factor and party system in India.
2. Can modern democratic institutions be insulated from inter oriented politics? Discuss

3. Tradition is not always incompatible with Modernity. Comment on the statement with reference to the modernization trends in Indian policy.

4. Majority in legislatures does not necessarily contribute to the stability of the state Government in India. Discuss
SECTION A

1. Comment on any three of the following in about 200 words each:
   
   1. Military Industrial Complex
   2. Open versus Secret Diplomacy
   3. Compulsory Jurisdiction of the International Court of Justice
   4. China's Middle Kingdom Complex.

2. Despite a number of trends to the contrary, the State has been and remains the primary actors in the global system. Elucidate the statement by analysing the factors which helped create State and the reasons for the primary of States across in International Relations.

3. The United Nations is not a political system acting in a vacuum: Nor does it operate above international system. Comment.

4. Define Alliance. What is the role of Alliances in power politics? Discuss the relevance of Alliance in a nuclear age.

SECTION B

1. Comment on any THREE of the following in about 200 words each:
   
   1. Human Rights in the US foreign policy
2. Disintegration of the Soviet Union and the threat of nuclear proliferation

3. India and the IMF

4. Iraq after the Gulf War.

2. Discuss the prospects of a peace in West Asia in view of the changes in the US and Israeli policy and attitudes in this regard.

3. Analyse the developments in the Indo-US relations since the end of the Gulf War. Give the reasons for changes, if any, in the South Asia policy of USA.

4. The central focus of global politics is no longer the conflict between Socialism and Capitalism, but North versus South. Explain.
SECTION A

1. Make a critical Comment on any three of the following in about 200 words:

   1. For, no law or ordinance is mightier than knowledge (Plato).
   2. Material well-being alone is supreme. For, spiritual good and sensual pleasures depends upon material well-being (Kautilya).
   3. Obedience to mere impulse of appetite is slavery (Rousseau).
   4. The end of obedience is protection (Thomas Hobbes).

2. Estimate the utility of the systems theory in social sciences.

3. Examine critically the pluralist arguments against the theory of sovereignty.

4. Examine the main issue involved in the Church-State controversy. What were is consequences?

SECTION B

1. Comment on any THREE of the following in about 200 words each:

   1. Political Modernization in India
   2. Anarchism in Gandhis philosophy
   3. Economic liberalisation in India

2. What is political communication? Does communication theory offer satisfactory
explanation of the political process in India?

3. How do caste and class interact with each other in India politics?

4. Examine the case for formation of small states in India.
SECTION A

1. Comment on any three of the following in about 200 words each:
   
   1. NAM in the post Cold War era
   2. Cultural Imperialism
   3. Case for a permanent UN peace keeping force
   4. National Interest and Capability

2. Explain the essential rules of the balance of power system and evaluate the role which balance of power plays in the stability of the global order in a multi-polar system.

3. Nation-State is currently exposed to disintegrative tendencies from within and integrative tendencies from without. Elucidate the statement in the context of developments in Europe.

4. One cannot understand the international politics of arms control without taking into account the domestic political forces which have a stake in maintaining large defence expenditure. Analyse these force which help in promoting international arms races.

SECTION B

1. Comment on any THREE of the following in about 200 words each:
1. Russia's policy towards Japan
2. NPT safeguards and Non-Nuclear Weapon States
3. Palestinian Homeland issue and the West Asia crisis

2. Discuss the Third World perspective on the causes and cures of under development.

3. Keeping in view the global developments during the last few years what are the prospects of cooperative and friendly relations between India and Pakistan.

4. The new world order as conceived by USA is an effort to reestablish the American century in military terms as the American economic and industrial dominance of the last 50 years is lost. Comment.
SECTION A

1. Comment on any three of the following in about 200 words each:

(a) “The authority of the master and that of the statements are different from one another”.
   (Aristotle)

(b) “As soon as a nation appoints representatives, it is no longer free, it no longer exists.”
   (Rousseau)

(c) “Rulership can be successfully carried out (only) with the help of associates: one
   wheel alone does not turn.” (Kautilya)

(d) “The end of law is not an abolish or restrain but to preserve and enlarge freedom.”
   (Locke)

2. What is the concept of justice in modern political theory? How is it related to Liberty and
   Equality?

3. What is the nature of the crisis in political theory? Suggest remedies to overcome it.

4. Critically examine the Marxian theory of social stratification.

SECTION B

5. Comment on any THREE of the following in about 200 words each:

(a) Cultural secularization

(b) Reserve discrimination

(c) Public interests litigation
(d) Tribalism in Africa

6. Trace and analyze the co-operation trends in Indian federalism.

7. “Political reforms must precede and not follow social reforms”. (Tilak). Discuss.

8. How far do regional groupings pose a threat to the stability of Indian political system?
SECTION A

1. Comment on any three of the following in about 200 words each:

   (a) UN’s peacekeeping role in domestic conflicts

   (b) GATT treaty and developing countries

   (c) Sovereign National State and International concern for Human Rights

   (d) An oligopolistic global system.

2. “One of the truisms in world politics is that nothing is distributed equally on the face of the globe not people or their talent, not resources, not even climate, geographic features, technology or air quality.” Elucidate.

3. Diplomacy is not only a technique of foreign policy implementation, but also an instrument by which other techniques—military and economic—can be successfully deployed. Discuss the significance of diplomacy in the conduct of foreign relations.

4. Discuss, the illustrations, the way decision making is influenced by the external and internal environment as perceived by the decision maker.

SECTION B

5. Comment on any THREE of the following in about 200 words each:
(a) US trade relations with Japan

(b) China “one China” policy

(c) Peace in West Asia

(d) Political and legal status of C.I.S

6. Non-proliferation has now acquired the status of a vested interest with the nuclear weapon state which, in the name of political stability, are trying to perpetuate a global order which will preserve their hegemonic position. Discuss.

7. Despite some problems which USA is facing in Asia, it is unlikely that pressure on India over the nuclear issue, Kashmir and missile programme will be released. Discuss.

8. "Regional cooperation makes sense only in the event of there being, at least as the bottom line, a degree of ideological cohesion and/or economic dependence. the SAARC members have neither.”Comment.
SECTION A

1 Comment on any three of the following in about 200 words each:

1. Rule of law is better than rule of men (Aristotle).

2. The end of every man is continued success in obtaining those things which he, from time to time, desires (Hobbes).

3. Punishment should be preventive and corrective rather than retaliatory (Bentham).

4. The worth of a state, in the long run, is the worth of the individuals composing it (J S Mill).

2 Examine the fact-value dichotomy in political science. To what extent has post-behaviouralism resolved the conflict in the dichotomy?

3 Analyse the post-Marxian developments in socialist thought.

4 Examine the pace of obligation in political theory.

SECTION B

1. Comment on any THREE of the following in about 200 words each:

1. Representative bureaucracies

2. Ethnic separatism

3. Creamy Layer and social justice

4. Politics of terrorism
2. The function of a legislature is not merely making of laws. What other functions are expected of a modern legislature?

3. Bring out the linkages between political culture and civic culture with special reference to India.

4. Illustrate from contemporary Indian experience the theory of circulation of elites.
Section A

1. Comment on any three of the following in about 200 words each:

   1. Agenda before NAM
   2. Role of Ideology in International Relations
   3. OAU and conflicts in Africa
   4. Role of International Law in international cooperation.

2. The traditional principle of sovereignty which plays a central role in the foreign policies of all states, is now increasingly counteracted by the growing facts of interdependence. Discuss.

3. From the start, the United Nations become a microcosm of world policies, with developments within the institution tending to mirror the atmosphere and happenings outside its walls. Comment.

4. Analyse the unjust and hegemonic aspects of the existing international economic order and the factors which perpetuate such an order.

SECTION B

1. Comment on any THREE of the following in about 200 words each:

   1. India and the WTO
2. Council for Security Cooperation in Asia pacific

3. Russia and NATO

2. Examine the issues raised in the context of renewal of NPT both by its advocates and its critics.

3. It is said that India bashing by its neighboring countries is directly or indirectly linked to their internal social conflicts. Explain with the help of development of Indo-Pak and Indo-Srilankan relations.

4. What, in your option, is the objective of the US policy in South Asia-status quo or peaceful change? Examine the strategies adopted by Washington in this regard.
SECTION A

1. Comment on any three of the following in about 200 words each:

   1. Slavery is natural and beneficial both for the master and the slave (Aristotle).
   2. No man can be deprived of his property without his consent (Locke).
   3. The worth of a State, in the long run, is the worth of the individuals composing it (J. S. Mill).
   4. Contradiction is the very moving principle of the world (Hegel).

2. Discuss the basic assumptions of behaviorism. In what way post-behavioralism differs from behavioural theory?

3. It is hard indeed to turn the Lockeant doctrine into any kind of unqualified democratic theory (Mepherson). Discuss.

4. Distinguish power from authority. How does reliance on authority affect the nature of power?

SECTION B

1. Comment on any THREE of the following in about 200 words each:

   1. Proportional representation
   2. Swadeshi movement

-------------------------------------------------------------------------------------------------------------------
3. Kesavananda Bharathi Case

4. Co-operative federalism

2. The roots of India’s growing problems of govern ability are more political than socio-economic, that is, they are located in India’s political structure. Discuss.

3. Examine in the light of India’s experience the Weberian concept of Charismatic leadership.

4. Analyse the problems of nation building in India.
SECTION A

1. Comment on any three of the following in about 200 words each:

   1. Role of idiosyncratic factors in foreign policy
   2. Technology and state sovereignty over water resources
   3. Intellectual Property Rights and free world trade
   4. US role in the OAS

2. Realism as an approach to international relations helps to explain why states fight and threaten each other, but it is less effective in explaining much of the cooperative behaviour we see. Comment.

3. Judged from the past, UN does not hold much promise to free the Third World from the clutches of neo-imperialism. Elucidate.

4. Although transnationalism is an important force in contemporary world politics, it is premature to speak of the demise of the nation-state, given the continued attachment to nationalism felt throughout the world. In the light of this statement discuss the role of nation state as an actor in international relations.

SECTION B

1. Comment on any THREE of the following in about 200 words each:
1. India's claim to a permanent seat in the Security Council

2. Hamas and peace in West Asia

3. Prospects of a free trade area in South Asia

4. Islamic factor in Indo-Pak relations.

2. Examine the changes in China's India policy in 1990s. Do you attribute these changes to the altered global environment or to the domestic factors?

3. Russian foreign policy is described as the tyranny of the weak. Explain how judiciously Russia has made use of her weakness vis-a-vis the West and USA.

4. Explain the differences between India and USA on the question of CTBT. Why has India decided to link CTBT with the elimination of nuclear weapon?
SECTION A

1. Comment on any three of the following in about 200 words each:

   1. Sin, therefore is the mother of servitue, and first case of mens subjection to men (St. Augustine).
   2. Whoever therefore out of a State of Nature united into a Commonwealth must be understood to give up all the Power necessary to the Ends for which they united into Society, to the majority of the Community (Locke).
   3. Laws are any necessary relations arising from the nature of a thing (Montesquieu).
   4. It is not the consciousness of men that determine their being, but, on the contrary, their social being determines their consciousness (Marx).

2. Discuss the importance of the Systems Theory in modern political analysis.

3. Examine the nature and limits of the rights of Resistance and Revolution recognized in modern political theory.

4. Discuss the philosophical basis of doctrine of popular sovereignty, and its significance for mankind.
SECTION B

1. Comment on any THREE of the following in about 200 words each:

   1. Process of Political socialisation in Afro-Asian societies
   2. Jinnahs two-nation theory
   3. Political Dimensions of Development Administration

2. Discuss the patterns of legislative-executive relationship prevalent in the world today. What factors and forces have enabled the executive to overpower the legislature, in most countries.

3. The origins of the Indian political system are rooted in the history of British India. Comment.

4. Discuss the role and limits of the Indian Parliament in check-mating political corruption, with special reference to the Bofors payoff and the Securities scams.
SECTION A

1. Comment on any three of the following in about 200 words each:
   
   1. Effective government as a source of national power
   
   2. SAPTA and SAFTA
   
   3. Maastricht Treaty
   
   4. Cultural Imperialism

2. Bring out the contradiction between Internationalism and Globalization.

3. The relations of the Balance of Power to Collective Security have been at the same time complementary and antagonistic. Elucidate.

4. The change in the position of the people of Asia and Africa and their relations with Europe was the surest sign of the advent of a new era. Discuss.

SECTION B

1. Comment on any THREE of the following in about 200 words each:

   1. Diego Garcia
   
   2. China and Nuclear Weapons
   
   3. West Asia Peace Conference at Madrid, 1991
   
   4. North-South conflict at Rio
2. Explain the role of the Third World countries in the promotion of NIEO.

3. It is not ideological differences but national interests and considerations of leadership in world affairs that are responsible for Sino-Russian schism. Discuss this statement and show its impact on India. Give an analysis of India’s Africa policy.
SECTION A

1. Comment on any three of the following in about 200 words each:
   1. Polity is the best practicable form of government (Aristotle).
   2. The prince must be fox and the lion at the same time (Machiavelli).
   3. Hobbes relieved sovereignty completely from the disabilities which Bodin had inconsistently left standing (Sabine).
   4. Leninism is Marxism in the epoch of imperialisms and proletarian revolution (Stalin).

2. What is meant by behavioural approach to politics? Is it a fool-proof approach? How far is it correct to say that the behavioural approach to political analysis appeared in order to counteract the Marxist approach?

4. Discuss how early radical liberation was modified by John Stuart Mill.

SECTION B

1. Comment on any THREE of the following in about 200 words each:
   1. The concept of empowerment
2. Raja Ram Mohan Roy as a social reformer

3. Politics of terrorism in India

4. Cooperation federalism in India - its problems and prospects

2. Discuss the structural-functional analysis of politics.

3. The recent spate of judicial activities has created problem for the operation of parliamentary democracy in India. Discuss.

4. Discuss how far the politics of regionalism and communalism have affected nation-building in India.
SECTION A

1. Comment on any three of the following in about 200 words each:
   
   1. Power
   2. Alliances
   3. Neo-Colonialism
   4. Conventional Arm Trade

2. Examine the explanatory potential of Kaplans system theory in explaining the phenomenon of international politics in the present context.

3. People are concerned about the degradation of the environment and the problems that go with it. Discuss the international response.

4. Analyse the challenges and prospects of the UNO in becoming a world state.

SECTION B

1. Comment on any THREE of the following in about 200 words each:
   
   1. Use of nuclear energy

   3. SAARC
   4. Contending issue between India and Bangladesh
2. Analyse the barriers to arm control.

3. Assess the role of the rim countries of the Indian Ocean in making it a peace zone in the post Cold War era.

4. Evaluate the foreign policy of India with special reference Pakistan and China in the present context.
SECTION A

1. Comment on any three of the following in about 200 words each:

   1. Policy of constitutional government may be described generally as a fusion of oligarchy and democracy (Aristotle).

   2. The great and chief end, therefore, of men uniting into commonwealths, and putting themselves under government, is the preservation of property, to which in the state of nature there are many things waiting (John Locke).

   3. All human history is a process whereby ideas objectify themselves in material reality (Hegel).

   4. Marx’s work could be seen as a compound of three elements: Green philosophy, English political economy and French socialism (Lenin).

2. A scientific politics can develop only if the materials of politics are treated in terms of systems of actions. In the light of this statement of Kaplan with regard to application of systems theory to political science, critically examine the drawbacks of its application.

3. Critically evaluate and bring out the weakest aspects of behavioral and post-behavioural approaches to analysis of political system. What measurable and quantifiable criteria are available in political science to evaluate political behaviour?

4. Critically examine any two of the following statements:
1. Liberty or freedom, signifies property the absence of opposition in external impediments of motion (Hobbes).

2. In the first place, it is mostly considered unjust to deprive anyone of his personal liberty, his property or any other thing which belongs to him by law (John Stuart Mill)

3. We believe that as a matter of principle each number of society has an inviolability founded on justice (Rahws).

SECTION B

1. Comment on any THREE of the following in about 200 words each:

   4. Views of Lenin, Michels and Duverger on political parties.

2. The electoral behaviour of Indian votes is more or less caste-ridden, including the selection process of party candidates. In the light of the above statements, critically examine the positive or the negative role of caste in the Indian political system.
3. Differentiate a political party from a pressure group. Explain the role of R. S S and Bajarang Dal units of Sangh Parivar as pressure-group in the Indian political system.

4. Write on any two of the following in not more than 300 words each

1. Divisionism in Indian political parties with special reference to Janta Dal, Congress, CPI and Alaki Dal.

2. Impact of modernisation and new communication technologies on political processes of Afro-Asian countries.

3. Public Interest Litigation and Judicial Activism.
SECTIONS A

1. Comment on any three of the following in about 200 words each:

   1. National Interest and Ideology
   2. Agenda 21 and after
   3. The European Union
   4. Relevance of Diplomacy in the Nuclear Age

2. The decision-making is only a partial theory of international politics. Critically examine the above statement.

3. In a uni-polar world, non-alignment has lost its relevance. Do you agree with this view? Give arguments in support of your answer.

4. Critically examine the various controversial issues in the functioning of the World Trade Organization from the point of view of developing countries, particularly India.

SECTION B

1. Comment on any THREE of the following in about 200 words each:

   1. Nuclear Non-Proliferation Treaty
   2. Indo-Russian Summit 1997
   3. China's foreign policy towards Pakistan in the present context.

2. Write a critical essay on the role of the Third World in international relations, especially in the United Nations.

3. Examine the changing perspective of the US foreign policy towards South Asia in recent times and its implications for prospects of peace in the region.

4. Discuss some of the major issues of conflict and cooperation between India, Nepal and Bhutan.
SECTION A

1. Comment on any three of the following in about 200 words each: (20 × 3 = 60)

   1. Until philosophers are kings. Or kings and princes of this world have the spirit
      and power of philosophy, cities will neever have rest from evil (Plato).
   2. Power is an end in itself and he (Machievelli) inquires into the means that are best
      suited to acquire, retain and expand power, thus separates power from morality,
      ethics, religion and metaphysics (Ebenstein on Machievelli).
   3. I gives the name to every state that is governed by laws, no matter what the form
      of its administration (Rousseau).
   4. State is a march of God on the Earth (Hegel).

2. The modern pluralist democracies have posed a great threat to the fabric of nation state.
   Discuss (60).

3. Post-behaviouralism is not a negation of the behavioural revolution but only it’s corrective.
   How does it seeks to raise the status of the discipline of political Science (60)?

4. To what extent does the Rawlsian goal of achieving social justice depend on an
   overarching consensus among cultural, religious and ideological groups (60)?
SECTION B

1. Comment on any THREE of the following in about 200 words each: (20 × 3 = 60)

   1. Shared rule to be as important as self rule in explaining the possibility of federal power sharing.
   2. Women empowerment in India and its impact on democracy.
   3. Corruption in Administration in India and its impact on socio-economic reconstruction.
   4. Caste and religion as operative factors with Indian policy.

2. What are the salient features of Sarkaria Commission Report as regard to federal restructuring in India with special reference to autonomy demand by states (60)?

3. Critically evaluate Webers ideas on Bureaucracy and highlight the significance of the Weberian model from India’s point of view (60).

4. The role of Indian Prime Ministers in the federal system was always controversial. Do you agree with this statement? Give reasons for your answer with apt examples (60).
SECTION A

1. Comment on any three of the following in about 200 words each: (20 × 3 = 60)

   1. Rethinking on sovereign state
   2. Information Technology as element of national power
   3. Pan-Americanism

2. International politics, like all politics is a struggle for power. Comment (60).

3. Do you agree with the stand that the Non-Alignment Movement needs to be reinvented (60)?

4. Liberalization and Globalization are hated by the developing countries, as the Trojan Horses of the developed countries. Elucidate (60).

SECTION B

1. Comment on any THREE of the following in about 200 words each: (20 × 3 = 60)

   1. The New International Economic Order
   2. Peaceful Nuclear Explosions (PNE)
   3. Potentials of Non-conventional energy sources
   4. Summit Diplomacy
2. Examine the Israel-Arab conflict as a conflict of interest between the USA and the Soviet Union (60).

3. Is the reforms of the UN. Indias claim on the permanent seat in the Security Council is national and equally justifiable. Elucidate (60).

4. Indo-Pak relationship veers around the peaceful settlement of the Kashmir issue. Critically evaluate various alternatives for its solution (60).
SECTION A

1. Comment on any three of the following in about 200 words each: (20 × 3 = 60)

   1. Relevance of contextualist approach to the study of political theory.
   2. Polyarchy.
   3. Validity of the statement that most prominent among Gandhian principles are non-violence, adherence to truth and dignity of labour.
   4. Constitution as a power map

2. Defence ideology. Critically examine the End of Ideology Debate (60).

3. What are the major components of Modern Indian Political Thought? Examine then with reference to Gandhi and M N Roy (60).

4. Critically examine Marxist theory of the state with reference to the dictatorship of the proletariat (60).

SECTION B

1. Comment on any THREE of the following in about 200 words each: (20 × 3 = 60)

   1. The debate over judicial activism in India.
   2. Impact of disinvestment and privatization on planning in India.
   3. Concept of committed bureaucracy.
4. Factors for the growth of regionalism in India.

2. Critically examine the impact of the national movement on the making of the constitution of India (60).

3. Indian democracy began with the unique advantages of an efficient civil service and a well organized political party yet its record is dismal. What are the causes for such poor performance (60)?

4. The women activists did not support Quota till 1974. What led to the subsequent change in their stand (60)?
SECTION A

1. Comment on any three of the following in about 200 words each: (20 × 3 = 60)
   
   1. National interest and national peculiarities: A guide to foreign policy
   3. Cuban Missile as a factor in U. S relationship with the USSR.
   4. The compulsory jurisdiction clause under the statute of the International Court of Justice.

2. Identify some of the major issues challenging the North-South countries (60).

3. The Arab-Israeli conflict is basically a conflict between two resurgent nationalism (60).

4. Moral claims of today becomes the human rights of tomorrow. Trace the efforts in the international protection of human rights in the twentieth century (60).

SECTION B

1. Comment on any THREE of the following in about 200 words each: (20 × 3 = 60)
   
   1. India and handung Conference: Hope and Reality.

RAJANITI VIJYAA AUR ANTARASTAAHIY SAMVADH (PRAAShN-PATR I)

POLITICAL SCIENCE AND INTERNATIONAL RELATIONS (Paper I)

निर्धारित समय : तीन घंटे
Time Allowed : Three Hours

अधिकतम अंक : 250
Maximum Marks : 250

प्रश्न-पत्र सम्बन्धी विशेष अनुदेश

कृपया प्रश्नों के उत्तर देने से पूर्व निम्नलिखित प्रश्नों के उत्तर देने हैं।

इसमें आठ प्रश्न हैं जो कि खंडों में विभाजित हैं तथा हिंदी और अंग्रेजी दोनों में छपे हैं।

प्रत्येक प्रश्न का कुल पाँच प्रश्नों के उत्तर देने हैं।

प्रश्न संख्या 1 और 5 अनिवार्य हैं तथा बाकी में से प्रत्येक खंड से कम से-कम एक प्रश्न चुनकर किसी तीन प्रश्नों के उत्तर दें।

प्रत्येक प्रश्न/भाग के अंक उसके सामने दिए गए हैं।

प्रश्नों के उत्तर उसी माध्यम में लिखे जाने चाहिए जिसका उल्लेख आपके प्रश्नपत्र में किया गया है, और इस माध्यम का अंतिम पुस्तिका के मुख-पृष्ठ पर निर्दिष्ट स्थान पर किया जाना चाहिए।

उल्लेखित माध्यम के अतिरिक्त अन्य किसी माध्यम में लिखे गए उत्तर पर कोई अंक नहीं मिलेगा।

प्रश्नों के उत्तरों की गणना क्रमानुसार की जाएगी। यदि काटा नहीं हो, तो प्रश्न के उत्तर की गणना की जाएगी।

QUESTION PAPER SPECIFIC INSTRUCTIONS

Please read each of the following instructions carefully before attempting questions.

There are EIGHT questions divided in TWO SECTIONS and printed both in HINDI and in ENGLISH.

Candidate has to attempt FIVE questions in all.

Question Nos. 1 and 5 are compulsory and out of the remaining, any THREE are to be attempted choosing at least ONE question from each Section.

The number of marks carried by a question/part is indicated against it.

Answers must be written in the medium authorized in the Admission Certificate which must be stated clearly on the cover of this Question-cum-Answer (QCA) Booklet in the space provided. No marks will be given for answers written in a medium other than the authorized one.

Word limit in questions, wherever specified, should be adhered to.

Attempts of questions shall be counted in sequential order. Unless struck off, attempt of a question shall be counted even if attempted partly. Any page or portion of the page left blank in the Question-cum-Answer Booklet must be clearly struck off.

प्रश्न-पत्र संबंधी विशेष अनुदेश
(उत्तर देने के पूर्व निम्नलिखित निर्देशों को क़ृपया सावधानीपूर्वक पढ़ें)

इसमें आठ प्रश्न हैं जो दो खण्डों में विभाजित हैं तथा हिंदी एवं अंग्रेजी दोनों में छपे हैं।
उम्मीदवार को कुल पाँच प्रश्नों के उत्तर देने हैं।
प्रश्न संख्या 1 और 5 अनिवार्य हैं तथा बाकी प्रश्नों में से प्रत्येक खण्ड से कम-से-कम एक प्रश्न चुनकर तीन प्रश्नों के उत्तर दीजिए।
प्रत्येक प्रश्न/भाग के लिए नियत अंक उसके सामने दिए गए हैं।
प्रश्नों के उत्तर उसी प्राधिकृत माध्यम में लिखे जाने चाहिए, जिसका उल्लेख आपके प्रवेश-पत्र में किया गया है, और इस माध्यम का स्पष्ट स्पष्ट उल्लेख प्रश्न-सह-उत्तर (क्यूः दसी एवं) पुस्तिका के मुखपृष्ठ पर निर्दिष्ट स्थान पर किया जाना चाहिए। प्राधिकृत माध्यम के अतिरिक्त अन्य किसी माध्यम में लिखे गए उत्तर पर कोई अंक नहीं मिलेगा।
प्रश्नों की शब्द सीमा, जहाँ उल्लिखित है, को माना जाना चाहिए।
प्रश्नों के प्रयासों की गणना क्रमांकित की जाएगी। अंशिक रूप से दिए गए प्रश्नों के उत्तर को भी मान्यता दी जाएगी यदि उसे काटा न गया हो। प्रश्न-सह-उत्तर पुस्तिका में खाली छोड़े गए कोई पृष्ठ अथवा पृष्ठ के भाग को पूर्णतः काट दीजिए।

POLITICAL SCIENCE AND INTERNATIONAL RELATIONS (PAPER-II)
